Focus sessions

Focus sessions are taking place each day. In order to establish the level of interest in each session, please rank the sessions of most interest from 1 to 5 (1 being of most interest and 5 of least interest)

| Focus session 1 | Ranking | |
|-----------------|---|--|
| Cool climate | No two seasons are alike: understanding and managing the impacts of seasonal variation in cool climates | |
| Wine business 1 | Managing the market: international case studies | |
| Winegrowing 1 | Clones and cultivars for cool climates | |
| Winegrowing 2a | Deconstructing aromas of cool climate Sauvignon Blanc | |
| Winegrowing 2b | Chemical & microbial wine flavour defects: identification, prevention & recovery | |

| Focus session 2 | Ranking | |
|------------------|---|--|
| Wine business 2a | Bringing the horse to water: finding new consumers | |
| Wine business 2b | Wine online: growing your business with e-commerce | |
| Winegrowing 3 | Selecting cool climate sites: more important than choosing your spouse! | |
| Winegrowing 4 | International experiences in sparkling wine grape production | |
| Winegrowing 5 | Breakdown: factors affecting autolysis in sparkling wine | |

| Focus session 3 | Ranking | |
|-----------------|---|--|
| Wine business 3 | Cool climate claims: making meanings from vineyard to table | |
| Winegrowing 6 | Taking mechanisation research into the vineyard | |
| Winegrowing 7 | Ice wine production practices | |
| Winegrowing 8 | Grapevine trunk diseases | |
| Winegrowing 10 | Perceptions of green characters by wine consumers | |

| Focus session 4 | Ranking | |
|-----------------|---|--|
| Wine business 5 | Terror or terroir: how can we teach consumers to love cool climate wines? | |
| Winegrowing 9 | Problems and pitfalls of cool climate integrated production systems | |
| Winegrowing 11 | Microoxygenation for influencing wine character | |
| Winegrowing 12 | Keeping out of the cold: frost damage, prevention and recovery | |
| Winegrowing 13 | Commercial experiences with incorporation of sensory data into business plans | |
